Gentlemen:

In reading over the Chapter notes of the New York Chapter, American Institute of Banking, I find that they have had the pleasure of a visitation to your place thru the hearty cooperation extended by your management.

Although our Chapter, is located in New Jersey, I believe we could arrange, at some time with your kind information and permission, to visit your place.

We can only make our appointments on Saturday afternoons and holidays.

Our membership at the present time totals over three hundred, of which quite a few are desirous of attending some of industrial visits.

Hoping I may receive some information from you in regards to this visit.

Thanking you in advance for your kind attention to this matter, I remain,

Sincerely yours,

Chairman
Industrial Visits,
Hudson County Chapter, A.I.B.
